

Did You Know?

Connecticut Children's Medical Center is the only hospital in Connecticut dedicated exclusively to the care of children. Connecticut Children's is a nationally recognized not-for-profit with a medical staff of more than 1,000 providing comprehensive, world-class health care in more than 30 pediatric specialties and subspecialties. Connecticut Children's Medical Center is the primary pediatric teaching hospital for the UConn School of Medicine, has a teaching partnership with the Frank H. Netter MD School of Medicine at Quinnipiac University and is a research partner of Jackson Laboratory. Connecticut Children's Office for Community Child Health is a national leader in community-based prevention and wellness programs.

Our Mission

Connecticut Children's Medical Center is dedicated to improving the physical and emotional health of children through family-centered care, research, education and advocacy. We embrace discovery, teamwork, integrity and excellence in all that we do.

World-Class Care

For Connecticut Children's to provide world-class care to our children, we need your help. Your support will enable Connecticut Children's to invest in the necessary people, resources and technology that define the exceptional care our children depend on and deserve.
