THE 6TH ANNUAL JOE KELLY OPEN

TEAM JOE KELLY OPEN

Team Joe Kelly was created in memory of Joseph Kelly, who courageously battled brain cancer for two years. While Joe was only 14 when he passed away, his goodness and positive attitude for life impacted all of those who knew him. He was thoughtful, kind, generous and truly cared for others. Joe was also passionate about sports. Whether he was playing football, baseball or basketball, he was competitive, but mainly loved being part of a team.

While receiving treatment at Connecticut Children's Medical Center, Joe loved to hang out in the teen room. He became friends with two girls in particular, and he would want us to help them and others, and we are. Proceeds from today's golf tournament are going directly to the families in the Center for Cancer and Blood Disorders at Connecticut Children's Medical Center.

So, as you play today, be thankful for your health and the fact that your contribution is making someone's day a little bit easier.
