2018 PMBS Annual Charity Golf Tournament

The Pratolana Mutual Benefit Society is proud to host their Annual Charity Golf Tournament benefiting the Neonatal Intensive Care Units (NICUs) at Connecticut Children's Medical Center. We would like to ask you to join us as a player or consider one of our sponsorship levels. Connecticut Children's thanks you for your support.

Since opening its doors 20 years ago, Connecticut Children's has experienced incredible growth and many accomplishments. With a goal of bringing specialized care closer to home, Connecticut Children's has expanded from their Medical Center in Hartford to five specialty care centers and 11 offices throughout the state. By integrating the 40 bed Neonatal Intensive Care Unit at UConn Health Center with the 32 bed unit located in Hartford, more babies born prematurely or with complex medical conditions receive the critical and compassionate care that defines Connecticut Children's.

Significant advancements have been made in the past two decades. Connecticut Children's is well poised to meet the challenges of an ever changing healthcare landscape and will continue to expand its capacity to care for the children and families of our region.

You can make a difference for local families right here where you live and work by supporting this tournament. Enclosed you will find information on sponsorships and player registration. We encourage you to return these as soon as possible to reserve your spot and help with the overall organization of the tournament. If you have any questions, please contact: the committee at pratolanagolf@gmail.com.

We would like to extend our sincere gratitude to those who participated in our most recent event, from sponsors to volunteers to players including:
