January, 2019

Dear Friend,

Manchester UNICO is made up of members of Italian descent and has been active in the community for over thirty-nine years. The many members of UNICO work hard to raise funds which we then give to local charities. All monies raised are returned to the community. **Manchester UNICO has raised and donated over \$900,000 to local charities since its inception.**

In addition, we are partnering with the Connecticut Children's Medical Center in support of children needing our assistance. We are excited to have established this relationship with such a fine organization.

Our largest event is coming: *the 39th Annual UNICO Golf Tournament* to be held at the Manchester Country Club on Monday, **June 10, 2019**. Manchester Country Club is located next to Globe Hollow Reservoir on South Main Street in Manchester. The Country Club was awarded the 2016 Connecticut State Golf Association Distinguished Club of the Year and it continues to be immaculately maintained.

The bearer of this letter is a member of Manchester UNICO and is helping to make this year's tournament as successful as those in the past. Please consider helping anyway you can by participating as a golfer, sponsor, donor, or supporter of this event. Know that whatever you do will help the community in which you live and work. This tournament is for the many charities that need our support.

Sincerely,

Jay Smith
Co-Chairmen

Peter Miller
