CLOSEST TO THE PIN  
*and*

HOLE IN ONE  
CAR GIVEAWAY!

## Where Your Support Goes

*"From the tiniest babies treated in our Neonatal Intensive Care Units (NICUs) to children and young adults undergoing cancer treatment in our Center for Cancer & Blood Disorders, every patient who comes through our doors receives the specialized care they need and deserve."*

Last year, more than 108,000 patients from across the region and around the world came to Connecticut Children's for world-class care. More than 2,000 are premature or high-risk newborns cared for in their Level 4 Neonatal Intensive Care Unit in Hartford.

Gifts to the Greatest Need Children's Fund can provide everything from diapers for premature babies to parking passes, meal vouchers and overnight accommodations for parents of hospitalized children.

The Greatest Need Children's Fund is a critical resource that makes all things possible. Your support today will help make that happen, for all patients and families who depend on Connecticut Children's.

*Thank You For Your Help!*
